Everything of the past becomes a memory. Some memories are sweet to remember while others are sad. As a student leaves these halls, he will have many memories of the past four years. His thoughts will not only linger on those of school but also on those of the world around him. Some of these memories will dwell on the events of nations engaged in conflict, man's scientific advancement, and the other changes of a progressive world. Among these memories will be the music that went along with the years. And so, for you the student, we record your "memories with music."

Dedication

The HORN Staff of 1957 takes great pleasure in dedicating this edition to one of Northside's worthiest pioneers. From a small rural high school to an established independent school district this pioneer has helped to further the interests of the community. Not only an employee but also an avid supporter of all school functions, this man has become a friend to all who know him. And so, to our custodian, Mr. Fritz Liebe, we proudly dedicate the HORN.

School Board faces "growing pains"

CARLOS COON
President

The school board's main objective is to afford the children in the Northside district better opportunities to learn. One of the many problems the school board has to face is the pressing one of increasing enrollment. More schools and more teachers are needed to meet the increasing number of children enrolling in the Northside district. The school board not only has to meet the "growing pains" but also has to balance the budget. The first school board was formed in 1949. Its first members were B.G. Mueller (president), Mrs. Harry Zenner (secretary), Dr. W.Z. Burke, Clarence Galm, Howard H. Watson, Lloyd M. Knowlton, and Benno Klabunde.

P.T.A. features float in Fiesta

This is a view of some of the members at a P.T.A. meeting. The officers of this year were Mrs. Russel Mason, president, Mrs. William Ohlenbusch, vice-president, Mrs. Bertha Fowler, recording secretary, and Mrs. William Sieckenius, corresponding secretary.

These students-Sandy Coon, Keith Mason, Mae Stuebing, and Karen Jost-led by Mrs. Maxwell took part in a panel discussion on "Understanding Your Adolescent."

The P.T.A. worked very hard on the float for the Fiesta Parade. The theme was "Faith of Our Fathers," and Shirley Weimer, Bill Worth, Karen Jost, Gus Neutze, Phil Ljungdahl, and Ruby Austin participated.

Memories Are Made of This

Faculty selects

A member of the girls' basketball team, homecoming duchess, president of the Ramblerettes, business manager of the HORN, and a member of the National Honor Society are just a few of the offices of Mae Steubing. Her outstanding personality and leadership abilities have made her a good candidate for this year's Who's Who.

As editor of the RAMPAGE and president of the library club Willie Mae Kneupper is kept very busy. In her spare time she is district corresponding secretary of the FTA and a member in good standing of the National Honor Society.

During many football games Gloria Evans has led the crowd as a cheerleader. As president of the National Honor Society, advertising editor of the HORN, member of the FTA, district secretary of the FHA, and homecoming queen, she has displayed not only her versatility but also her lively imagination.

A sparkling personality and a willingness to work has helped Yvonne Haby to fill the offices of president and district president of the FTA. She is active in the National Honor Society as the vice-president. As vice-president of the district Student Council Association she is kept busy throughout the year planning many assemblies.

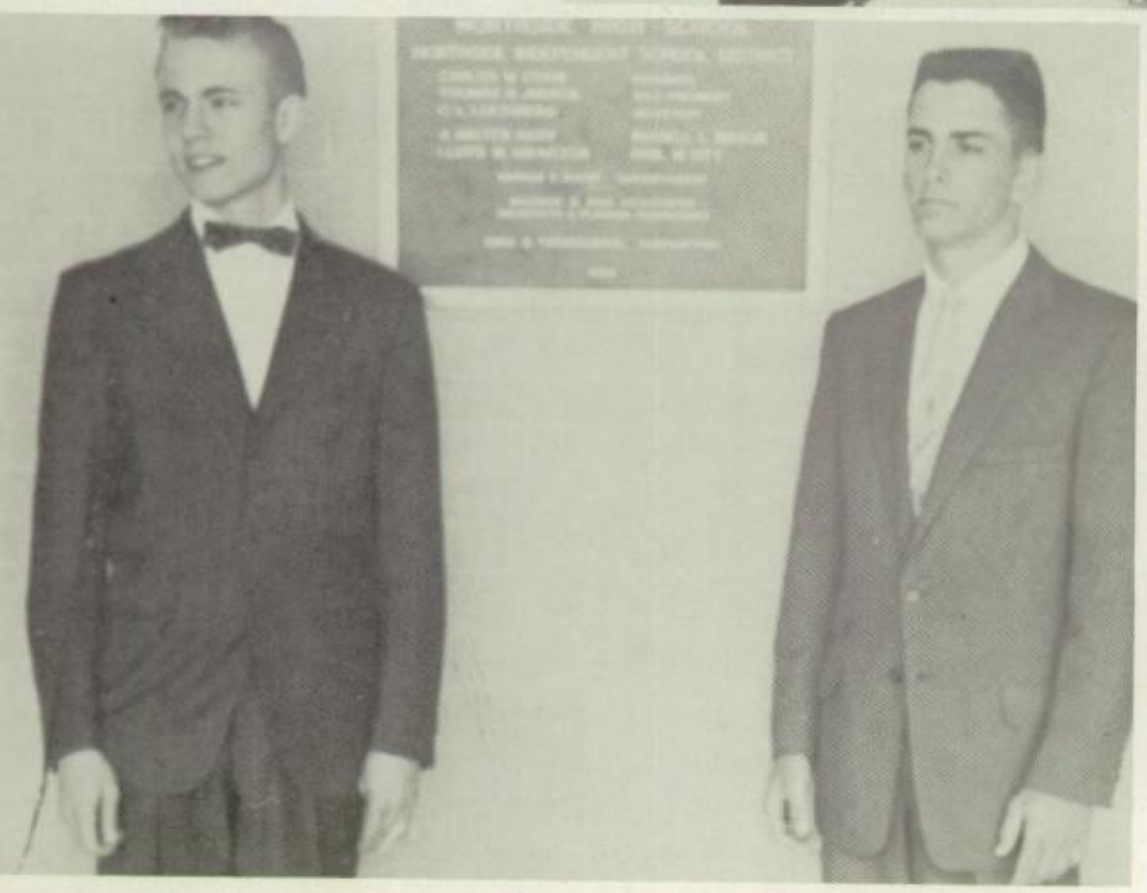
Who's Who

A hard worker on this year's cancer drive sponsored by the Student Council and an active member of the 4-H Club has made Coleen Kelley one of the outstanding seniors at Northside. In the senior play she displayed her fine acting ability.

In the homemaking department you can usually find Patsy Rosenbusch. She is area president of the FHA and has received her state degree. She is a member of the girls' basketball team and the secretary of the pep squad.

At the head of the band you will find Vicky Easterwood twirling her baton as majorette. Being editor of the HORN, member of the girls' basketball team, FTA, FHA, homecoming duchess, and the National Honor Society help to fill in the spare time of this busy senior.

Being a twirler in the pep squad and an active member of the FHA keeps Betty Kasper on the move. In FHA she is vice-president and has received her state degree. Among her other activities are the annual staff and the girls' basketball team.



As president of the newly established Science Club and an officer in the library club this junior excels in leadership qualities. Thomas Barker has shown his ability in all projects that he undertakes.

Football, baseball, and basketball are only a few of the many talents of Keith Mason. Not only is he outstanding in sports but also is secretary of the National Honor Society.

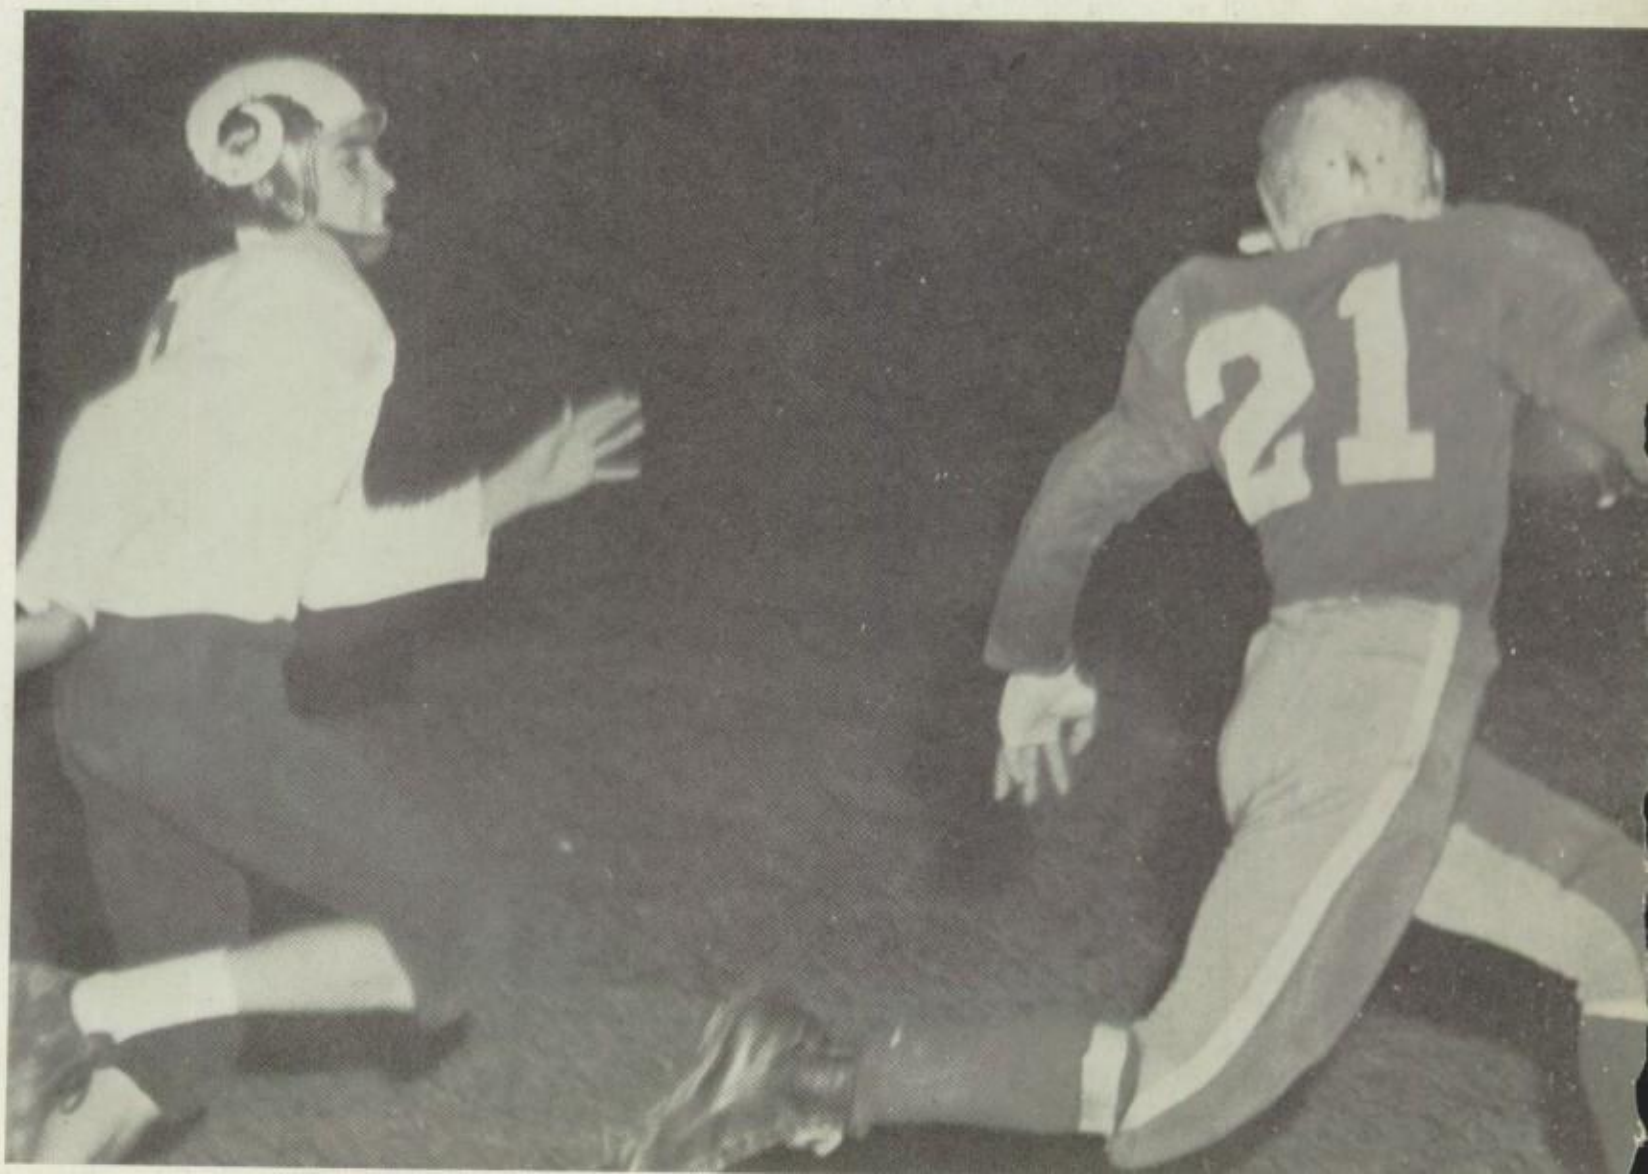
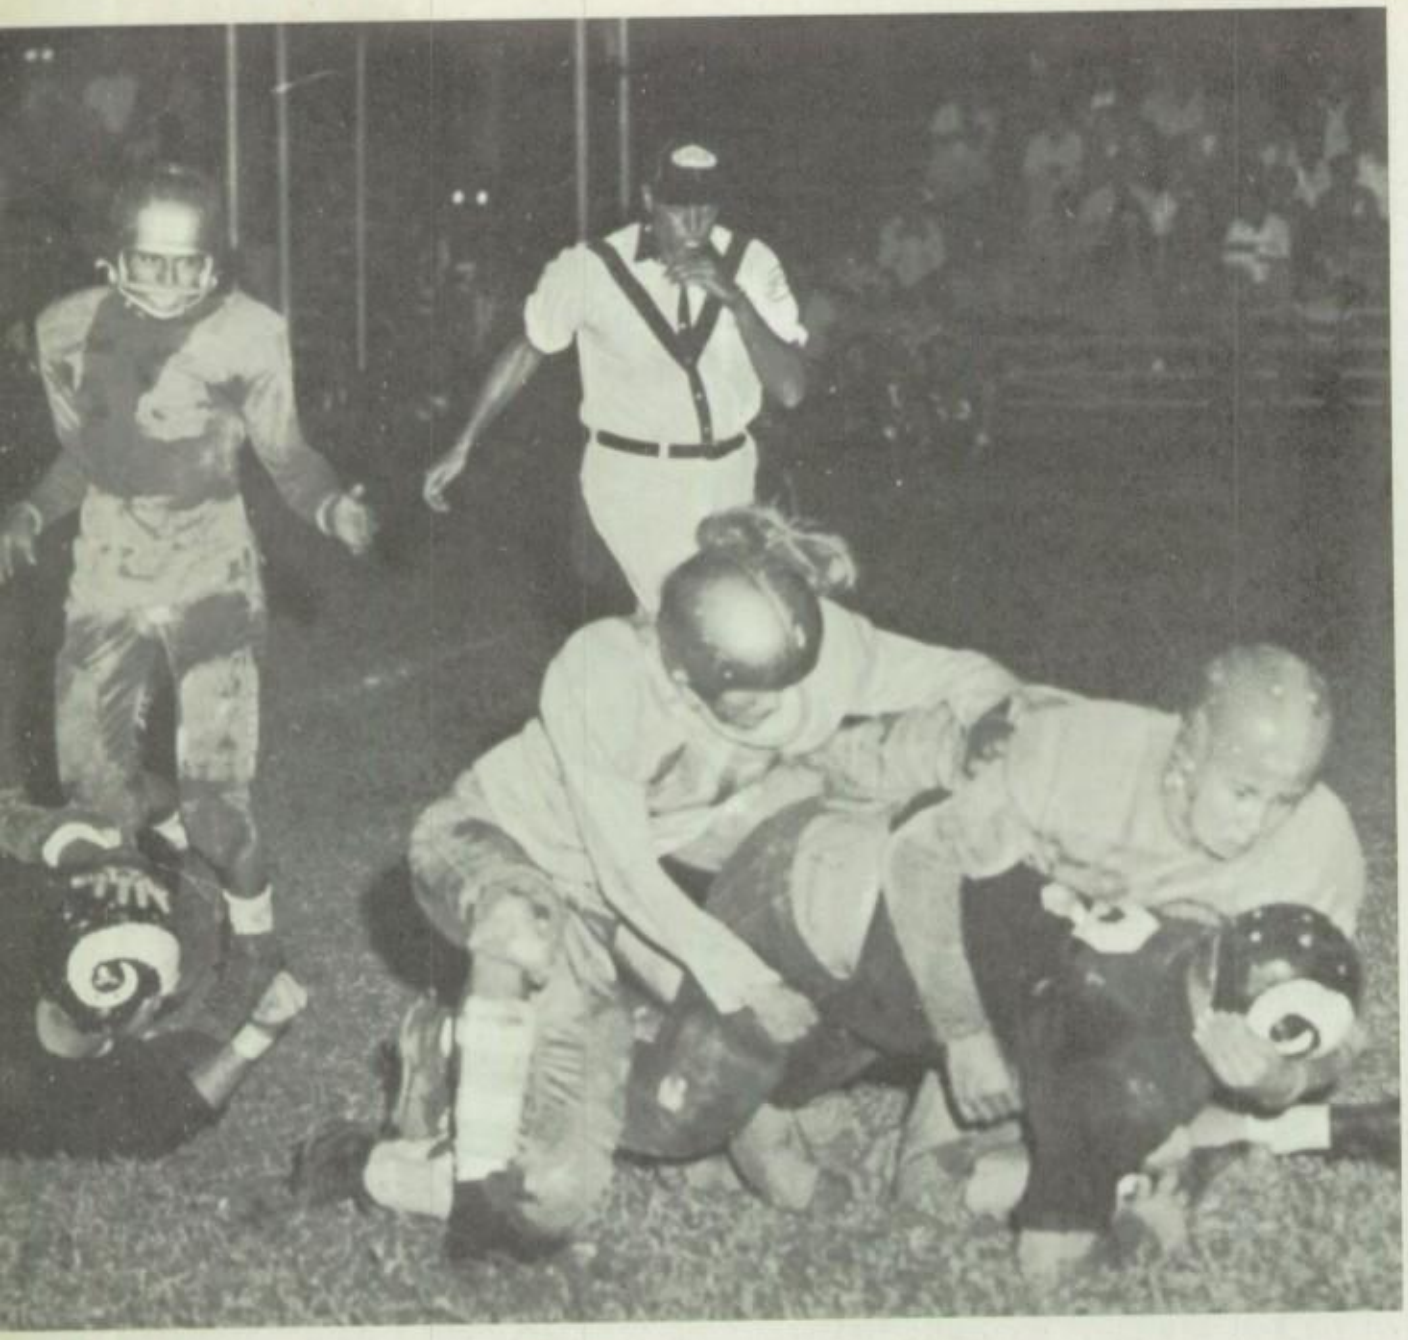
Halfback Don Davenport seems to be giving this St. Gerard ball carrier a merry chase. Good luck Don!



Rams

Northside's Rams made their debut into District 28-AA play by trouncing San Felipe of Del Rio with a 27-6 score. Keith Mason plunged over from four yards out for the Rams' first tally, swiveled 55 yards for a second, and hit Gary Bacon on a pass play good for 52 yards and a TD for the Rams. Benno Klabunde converted the three points. The sole Mustang marker came in the fourth on a 24 yard pass play.



Bill Sieckenius is downed by the Mustangs.

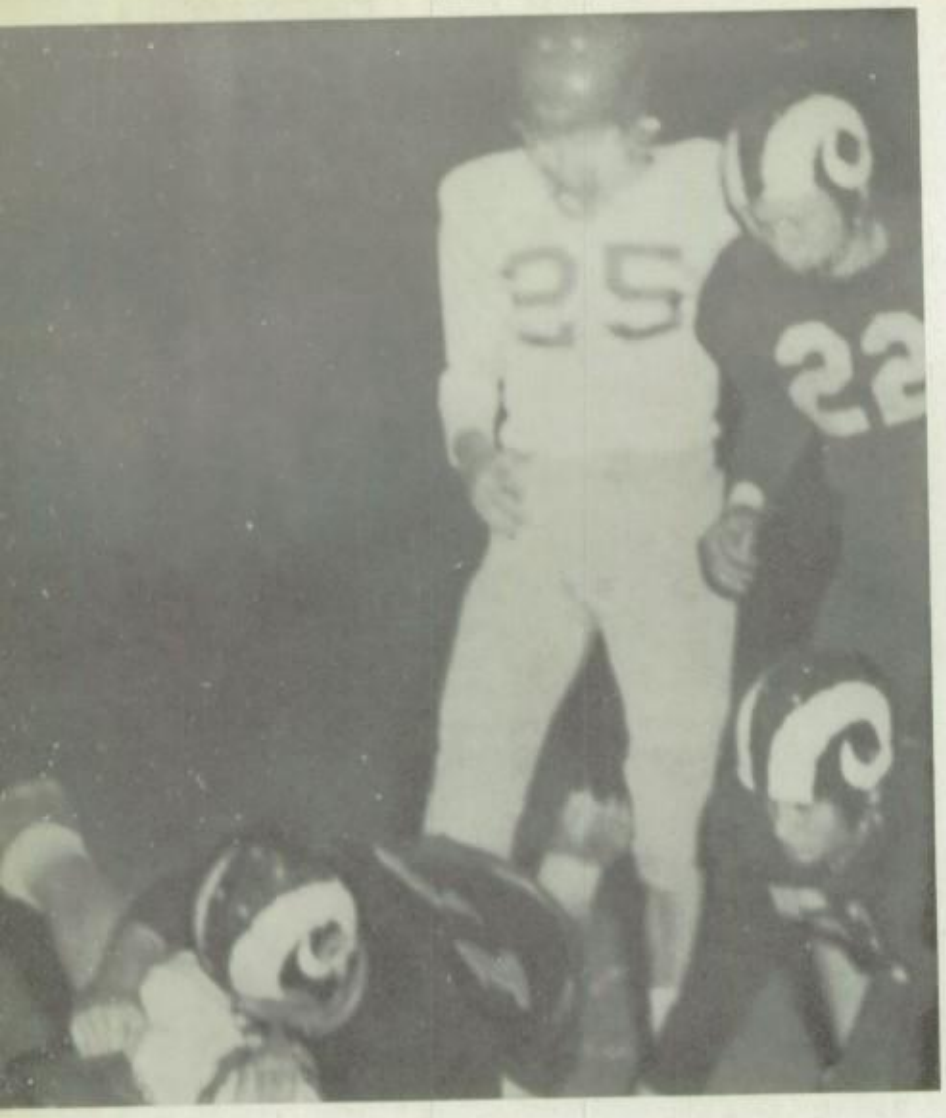
Cherokees scalp



Another Cherokee bites the dust, thanks to Benno Klabunde, Clarence Kohlleppel, and Bill Fowler.

Sam Houston clinched second place in District 28-AA play with a 19-12 victory on the Ram field. The Cherokees ran 14 yards around end in the first to score, then went 30 yards for a second period tally and finished with a 6 yard dash in the third. Mel Ott capped a long Ram drive with a 6 yard run in the opening period and Billy Sieckenius, fullback, went over from the end in the second to end a 55 yard drive.
